This Directory of Forthcoming Conferences/Symposia/ Seminars/ Workshops, No. 10, December, 1984 lists all the events in chronological order. Each entry gives title, date, venue and address of the contact point/sponsoring body. The indexes by Subject and/or Keyword as well as by location respectively have been appended at the end of this publication to facilitate users for locating the desired entry.

Information on the conferences/symposia/meetings/ workshops included in this publication has been collected and compiled through various sources such as announcements in publications, invitations, correspondence and contacts. Although care has been taken to ensure the supply of accurate information in this publication, Information & Documentation Division, Department of Science & Technology should not be held responsible for any inaccurate entry.

Our endeavour in bringing out this publication is to furnish advance information about the conferences and related activities to be held in India to the scientific community/organisations to enable them to participate in the concerned conference, etc. or to submit their papers and to obtain their proceedings. All enquiries regarding participation/contribution of papers should be addressed to the person/organisation mentioned as contact point.

Your cooperation would be appreciated in sending any information regarding future scientific and technical conferences/symposia/seminars/workshops and allied activities to be held in India. This information should be sent to Shri S.K. Taneja, Senior Documentation Officer, Information & Documentation Division, Department of Science and Technology, Technology Bhavan, New Mehrauli Road, New Delhi-110 016 (INDIA) to enable us to include and publish future issues of this Directory.
